

Children helping  
children - building  
empathy through  
giving

## DONATION DRIVES

- Wee Care schools run four drives during the school year
- Students collect items that are essential for our families
- All donations go to families living in poverty in San Mateo

## EMPATHY BUILDING

- Students participate in projects raising awareness of local poverty
- Samaritan House provides tools and experiences to build empathy skills in students

To learn more about Wee Care visit our website  
[www.samaritanhousesanmateo/volunteer.org](http://www.samaritanhousesanmateo/volunteer.org)

Project Empathy provides meaningful experiences helping children understand who they are giving to and why

## TOURS AND PRESENTATIONS

- Classes or groups of students tour Samaritan House
- They document their tour and bring what they learned to their peers
- Students participate in an empathy training game, that puts them in other people's shoes
- Schools choose and implement a Samaritan House service learning unit

## SUPPORTED PROJECTS

- Students create educational tools to help others learn about issues of poverty
- Samaritan House provides high school mentors
- Children come up with their own project to help other children
