

Hi (fill in blank)

We are now collecting new costumes for one of our most popular events – our Halloween Party and Costume Giveaway for disadvantaged children, on August 14 at Samaritan House.

A costume may sound frivolous, but Halloween is a big event for children and the tradition creates lifelong memories.

We know that parents will buy a costume for their child, even if it means skipping a bill payment.

By giving a child a new costume, we help her fit in with her peers and we assist the parents in putting their money toward essentials.

I hope the (fill in the blank) team will participate in this drive.

Please bring the new costumes to _____ before August 12.

Thanks so much for your activism for disadvantaged children in our community.
